Building

John Maragliano had the building power washed. Jim Gill replaced exit signs and some emergency lighting. Soffits around the roof need fixing and the gutters need repair because some are starting to sag. An estimate will be obtained by Jim for the gutters and possible covers placed on them to keep out dirt and leaves. The boiler needs cleaning. Lee will obtain an estimate since he works for a plumbing and heating company.

Veteran Outreach

The newspaper reported a navy veteran had been held hostage in a motel for 4 years and his benefit checks taken by two individuals. After his release an appeal was made for clothing and other needed supplies. John Maragliano purchased the needed items and gave them to the Agencies taking care of this veteran in our name. A very favorable newspaper article appeared on Sunday 9/30 in the local newspaper giving credit to our Post. Thank you, John!

Dance

Harvest Festival Dance tickets have been distributed to members to sell. The dance will be held on Oct 15 from 7 – 11PM. The Mustang's Band featuring 50's, 60's and 70's music will be playing to the delight of its many fans. Tickets are \$10 in advance and \$12 at the door. This dance has been a sellout in the past so get your tickets early. Where else can you go and have live music. It's a great night out and at these prices it's a **bargain**. Bring snacks only since the bar will be open.

Keep In Your Prayers

Please keep in your prayers all of our troops in harm's way.

Ellie Voss took a trip recently. Unfortunately it was on her back deck. A broken arm and nose. She is doing a pretty good imitation of a Panda Bear. Please Ellie, no more trips! You are in our prayers.

Reminder

Members who are Veterans need to furnish Jim Gill with a copy of your DD 214 (Need to be on file for IRS). Blacken out your Social Security #. Dues of \$35 plus \$5 an hour for hrs not worked are due by Oct 15. If you did not do any work this past year it is \$5 X 10 hrs = \$50 + \$35. Please send dues to CWV, PO Box 1599, Pine Push, NY 12566. Active military do not pay dues. Also those who live more than 100 miles from Pine Bush are not subject to work hrs.

You will receive a phone call (Calling Post) from us as to what is going on or a need for volunteer help. These calls will have **Area Code 405** on them and you need to say Hello to get the message started.

If you are receiving this by snail mail we do not have your e-mail address. Either you did not give it to us, we lost it or God knows what we did with it. Please send to Jim at Captain49truck@gmail.com

We are still looking for new members. We need numbers so we can defend what is important to us. If you know any veterans **please** ask them to join. Participation has its own rewards and we do need them to participate. Don't stand on the side lines. We think our best source is friends, family members and veterans that come to our community events. They are out there, somewhere, please keep looking! You never know where they will turn up!

Question...able Thoughts of the Day

Judging by my laugh lines, you'd think my life's been a riot.
 Speaking of laugh lines, it's important to leave a twinkle in your wrinkles.
 Laugh, and the world laughs with you. Cry and you have to blow your nose.
 Age is an issue of Mind over Matter. If you don't Mind, it doesn't Matter.
 Don't let your age get you down – it's too hard to get back up again.
 She's found the secret to eternal youth. She lies about her age.
 Experience is what you got by not having it when you needed it,
